Most kids find it challenging to explain how they solve math problems and to put what they know about math into words. These ten simple classroom routines can help make math talk a regular part of your day: 1) Start your math block with a strategizing session instead of a traditional warm-up problem. Rather than [â€]

10 classroom routines that get kids talking (and writing)

Welcome to the Idaho Court Assistance Office & Self-Help Center! This website provides tools and information for people who want to represent themselves in court, or who are unable to afford an attorney and would otherwise be unable to get their day in court.
