

golden rules of social pdf

The Golden Rule is the principle of treating others as one's self would wish to be treated. It is a maxim that is found in many religions and cultures.. The Golden Rule can be considered an ethic of reciprocity in some religions, although other religions treat it differently.The maxim may appear as either a positive or negative injunction governing conduct:

From a sociological perspective, social norms are informal understandings that govern the behavior of members of a society. Social psychology recognizes smaller group units, such as a team or an office, may also endorse norms separately or in addition to cultural or societal expectations. In other words, norms are regarded as collective representations of acceptable group conduct as well as ...
