

great american humor 15 pdf

American humor refers collectively to the conventions and common threads that tie together humor in the United States. It is often defined in comparison to the humor of another country – for example, how it is different from British humour and Canadian humour. It is, however, difficult to say what makes a particular type or subject of humor particularly American.

Howard R. Lamar, former president of Yale University – In this mesmerizing tale of a man whose name is a household word but whose life has been sadly neglected by history, Joshua Kendall single-handedly rescues the least-known founder of American politics and culture and gives him his long overdue place of importance.
