Writing a history paper requires much more than just sitting down at a computer. It involves a lot of early planning, detailed research, critical thinking, skilled organization, and careful writing and rewriting. The first rule of essay writing is to start early so that you have plenty of time to follow these steps.

So the big problem in church history is to find out when the church ceased being the true church and when God removed that church to another place, which we'll see that He did.

### **A Handbook of Church History - Herbert W. Armstrong**

For the first time in the history of social psychology, we have a handbook on the history of social psychology. In it, leading luminaries in the field present their take on how research in their own domains has unfolded, on the scientists whose impact shaped the research agendas in the different areas of social psychology, and on events, institutions and publications that were pivotal in ...
