Every revolutionary age produces its own kind of nostalgia. Faced with the enormous social and economic upheavals at the nineteenth century's end, learned Victorians like Walter Pater, John Ruskin, and Matthew Arnold looked to High Church models and played the bishops of Western culture, with a ...

A classic is a book accepted as being exemplary or noteworthy, for example through an imprimatur such as being listed in a list of great books, or through a reader's personal opinion. Although the term is often associated with the Western canon, it can be applied to works of literature from all traditions, such as the Chinese classics or the Indian Vedas.
