Course materials, exam information, and professional development opportunities for AP teachers and coordinators.

AP Central – Education Professionals – The College Board

The history of writing traces the development of expressing language by letters or other marks and also the studies and descriptions of these developments.. In the history of how writing systems have evolved over in different human civilizations, more complete writing systems were preceded by proto-writing, systems of ideographic or early mnemonic symbols.

History of writing - Wikipedia

The evolutionary emergence of language in the human species has been a subject of speculation for several centuries. The topic is difficult to study because of the lack of direct evidence. Consequently, scholars wishing to study the origins of language must draw inferences from other kinds of evidence such as the fossil record, archaeological evidence, contemporary language diversity, studies ...
