The National Center for Effective Mental Health Consultation (CEMHC) addresses the needs of Early Head Start/Head Start (E/HS) staff and families for practical guidance on effective ways to promote young children's social and emotional development and reduce challenging behaviors.

CSEFEL: Center on the Social and Emotional Foundations for

How Children Succeed introduces us to a new generation of researchers and educators who, for the first time, are using the tools of science to peel back the mysteries of character. Through their stories and the stories of the children they are trying to help Tough traces the links between childhood stress and life success.

How Children Succeed | Paul Tough

Globalization of the economy, the explosion of population growth, technological changes and international competition compels the student to understand, both personally and globally, production, distribution, and consumption of goods and services.
