Independent living means all disabled people having the same freedom, choice, dignity and control as other citizens at home, at work and in the community. It does not necessarily mean living by yourself or fending for yourself. It means rights to practical assistance and support to participate in society and live an ordinary life.

## **Reports | Audit Scotland**

Affordable housing is housing which is deemed affordable to those with a median household income as rated by the national government or a local government by a recognized housing affordability index. Most of the literature on affordable housing refers to mortgages and number of forms that exist along a continuum "from emergency shelters, to transitional housing, to non-market rental (also ...

Housing First is a relatively recent innovation in human service programs and social policy regarding treatment of people who are homeless and is an alternative to a system of emergency shelter/transitional housing progressions. Rather than moving homeless individuals through different "levels" of housing, whereby each level moves them closer to "independent housing" (for example: from the ...
