are worried about automation putting jobs at risk - up from 33% in 2014. We are living through a fundamental transformation in the way we work. Automation and 'thinking machines' are replacing human tasks, changing the skills that organisations are looking for in their people. But what will the ...

The first WHO Global report on diabetes demonstrates that the number of adults living with diabetes has almost quadrupled since 1980 to 422 million adults. Factors driving this dramatic rise, which is largely on account of type 2 diabetes, include overweight and obesity. The new report calls upon governments to ensure that people are able to make healthy choices and that health systems are ...

Management's role in shaping organizational culture

By using Excel to catalog your library, whether you have 50 books or 50,000 books, you can keep track of every bibliographic item in your library. You will know when it was checked out, by who and when it is due. Obviously, the larger public libraries have specialized computer programs for this, but for the smaller library, Excel is the perfect solution.

Catalog Your Books and Manage Your Library With Excel

Health and Safety Executive Driving at work: Managing work-related road safety Page 3 of 10 Do " Prioritise and control your risks, consult your employees and provide training and information In larger organisations, make sure departments with different responsibilities for work-related road safety co-operate with each other.
